

I write this with great excitement as we enter a new phase of school development, one that will ensure St Andrew's remains as one of the leading co-educational prep schools in the country.

Thank you for helping shape the future of St Andrew's for generations to come.

The original sports centre site

A Sports Centre has been considered a number of times in previous years, along with considerable amounts of planning, so I feel immensely privileged that it is happening under 'my watch'. I am aware of the depth of impact the Sports Centre will have not only on the children at St Andrew's, but also on the children within the local community.

We are delighted with the design of the Sports Centre, perfectly located by the playing fields and our ever popular all weather pitch. We are particularly pleased that it incorporates the refurbishment of our existing pool into an indoor pool, enabling us to offer swimming to the children all year round.

Although St Andrew's is in a position to take on the capital costs of this large project, we are now asking the St Andrew's community, both past and present, to help us raise money to provide this first-class facility with the first class equipment it deserves.

There are a variety of ways in which families can support this project financially. These include the opportunity to have rooms or equipment named after individuals, families, or organisations. Gifts of any size can make a genuine difference and the success of this fundraising campaign will depend on participation, not just the level of generosity.

I would like to thank you in advance for your support of this project and if you have any questions do get in touch with the school office. I look forward to welcoming you into the new Sports Centre in the Autumn of 2017.

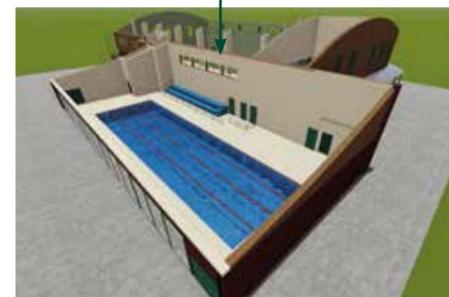

Jonathan Bartlett

Jonathan Bartlett, Headmaster of St Andrew's School, Pangbourne

**ALTIORA PETIMUS
STRIVING FOR HIGHER THINGS**

- ➔ We will continue to build a sense of community
- ➔ We will continue to improve our facilities for teaching and learning for arts, drama, music and sport
- ➔ We will continue to recruit, develop and retain the highest quality of staff
- ➔ We will continue to deliver a high standard of academic results
- ➔ We will continue to encourage our children to develop their learning and potential through education and play

Raising Children's Aspirations Through Sport Sports Centre to open Autumn 2017

At St Andrew's we strive to provide every child with an opportunity to explore and extend their abilities, helping each to grow into a happy and confident individual, in turn preparing them for the external pressures of modern day life.

We would like to invite gifts to equip the Sports Centre. Whatever the size of your donation, it will be a valued contribution and appreciated by many generations of the St Andrew's community.

Below are examples of bespoke gifts, or naming opportunities available. Please let us know if you are interested in any of these major gifts, your support will be permanently recognised on our St Andrew's Board.

£15,000+
