SPORTS DINNER

The Sports Dinner, Quiz and Dancing will take place on Friday 17th March 2017 from 7pm. Set in a marquee within the schools grounds, the black tie event will be raising money for the new sports centre equipment and more importantly for the Community Outreach Programme that St Andrew's is launching.

The Community Outreach Programme sees St Andrew's partnering with an organisation called BECS link with the simple goal of providing educational and recreational opportunities for children from the local community-children who would not otherwise be able to experience the environment and facilities that St Andrew's has to offer. Our aim is to raise the aspirations of as many local children as possible.

Guests will arrive from 7pm and enjoy a champagne drinks reception and canapés. During the drinks reception you will be able to start the silent auction bidding, as well as having the chance to take part in a celebrity sporting challenge. These challenges will see you trying to beat the likes of Tim Henman, Alex Danson or Clare Balding at several St Andrew's style activities.

At 8.15pm guests will be called to their tables to start a short sporting Quiz hosted by Clare Balding. For those keen to win, you can bid to have a celebrity sitting with you for one quiz round. Dinner will follow, during which we will hear the correct quiz answers, with the winners being announced after the live auction. The Silent auction will continue throughout the night. Carriages will be at 1am.

Dancing will be in the form of a disco and there will be a chance to take on your friends at table tennis or table football.

We hope you have a really special evening and we can raise as much as possible for the Outreach Programme and the Sports Centre Equipment.
